The health and safety of dance students, staff, and our families is at the forefront of all decisions. We are adhering to the Alberta government's guidance in our operation. We will be responsive to any changes. Currently, the following measures are in place:

### **RIGHT BEFORE COMING TO THE DANCE SCHOOL**

Determine if you are well enough to come by referring to the [checklist](#). There are no refunds if a student with symptoms is sent home.

### **ENTERING THE DANCE SCHOOL**

Students, parents/caregivers are permitted to enter/wait inside. Masks are required to enter building.

Place outdoor footwear on shoe rack or mat. You may wish to bring indoor footwear to put on while using the waiting area.

Change room and waiting area are open for use. Mask required while inside the building.

Wash or sanitize hands ([sanitizer](#) will be available or bring your own).

### **IN THE STUDIO**

Students and instructors are required to wear a mask during the lesson. We will be less than 2m from others at other times.

Students are encouraged to bring their own water bottle into the studio. We will take water breaks as needed.

### **BATHROOM**

Bathroom faucet is not to be used to fill water bottle. Wash/sanitize hands before returning to studio.

### **EXITING DANCE SCHOOL**

Parents, please be on time for student pick up to allow time for cleaning and sanitizing before the next group arrives.

### **MODIFICATIONS TO LESSONS/PROGRAMS**

If feasible, we will resume some of the events we were unable to have last year:

- Bring-A-Friend
- Watching Week
- Concerts
- Stuffy Week

Lessons may switch from in-studio to online at any point as government guidelines mandate. No refunds or credits will be given for changes to program delivery.
